TECHNICAL DIRECTOR

Vision

Captivating generations with the satisfying gospel of Jesus Christ.

A SNAPSHOT OF ALLIANCE

• A ***gospel-centered*** church with the Christian & Missionary Alliance Denomination

• Fast paced, growing church desiring to **impact their community.**

• A place where there is a high value on **volunteer leadership** and **teamwork**.

OVERVIEW

Alliance Bible Church is seeking a full-time Technical Director who has in-depth knowledge of and experience with technical systems (i.e. audio, lighting, video and presentation software). The position is to fulfill the production and technical needs of ABC and oversee and maintain all aspects of the church's AVL. We are looking for a positive, servant leader who is tech-savvy, able to learn and master new technology quickly and thoroughly.

A HUMBLE CHAMPION

An ideal leader for this ministry will have a humble servants' heart that is in line with our doctrine, vision, and staff covenant. They will have a track record of consistently loving God and loving others.

- Possesses 1 Timothy 3 and Titus 1 character
- Values the importance of family
- Hungers for God's Word
- Perpetual student
- Teachable
- Team player
- Demonstrates strong interpersonal skills

RESPONSIBILITIES

- Recruit, train, and manage ministry volunteers for service production and all church events.
- Execute and oversee technical operations during church services, events and productions. This includes setting up and operating audio, lighting and video equipment as needed.
- Manage and maintain technical equipment, sound systems, lighting fixtures, video cameras, projectors, and other related equipment.
- Collaborate with team members to coordinate tech requirements for special events, conferences, concerts, and productions.
- Maintain accurate records of technical procedures, settings, and equipment inventory.
- Communicate tech information to the team, staff members, and volunteers as necessary.
- Capture and produce video content such as testimonies, sermon bumpers, and promotional media

Vision

Captivating generations with the satisfying gospel of Jesus Christ.

QUALIFICATIONS & PERSONAL REQUIREMENTS

- Sufficient knowledge and experience in audio, lighting, and video systems
- Familiarity with operating technical equipment and troubleshooting common issues
- Be familiar with and able to use video editing software such as Adobe Premier
- Demonstrated ability to work collaboratively within a team, supporting the vision and goals of the church
- Excellent interpersonal and communication skills
- Problem-solving skills: resourceful and proactive in identifying and resolving technical issues
- Ability to think on your feet and adapt to changing circumstances
- Flexibility: Willingness to work flexible hours, including weekends and evenings to accommodate church services, rehearsals, and special events
- Born again follower of Jesus Christ with integrity and an abiding walk with Him
- Ability to work cooperatively with volunteers and other members of the ABC staff
- Attender of Alliance Bible Church (currently or upon becoming a staff member)

SALARY AND BENEFITS

Competitive salary and benefits package to be determined by the elders.

NEXT STEPS

- Provide a resume and cover letter explaining why you have an interest in this position.
- Include at least three references from people who have first-hand knowledge of your passion and experience.
- Complete the ministry application: myabc.church/ministryapplication
- You can send your information in PDF format to ddinkler@myabc.church

We invite you to prayerfully consider joining us. We're asking God to bring the right person to serve Christ together with us!
